

TOWN OF STOKESDALE
Installation and Removal of Holiday Banners

Request for Proposals Specifications

The Town requests proposals for the installation and removal of Twenty (20) Holiday Banners that are placed along US Hwy 158 on Duke Energy poles with streetlights. Brackets for the banners are installed on 20 poles located between the stoplight at the intersection of US Hwy 158 and NC 68 and the stoplight at the intersection of US Hwy 158 and NC 65.

The Town seeks proposals for the following:

- Banners are to be installed on brackets that have been installed on 20 utility poles after November 10 and before the Thanksgiving Holiday
- Banners are to remain on poles until removal after January 2 and before January 15.
- Banners are to be rolled, boxed and returned to the Town.
- Installer must be a licensed electrical contractor.
- Certificate of Insurance must be provided for Liability and Worker's Compensation Insurance if selected for the job.
- All safety precautions are to be followed during installation and removal of the banners.

Please submit written proposals to:

Town of Stokesdale
PO Box 465
8416 US Hwy 158
Stokesdale, NC 27357

Proposals must be received by September 9, 2010 to be considered.
